The Premises:

Very tidy and clean flat in Rosemount. The bedroom is always immaculate, with low lighting and candles etc. Clean towels are always offered for your shower before or after the session. Easy on-street parking is available.

The Lady:

Nikola is about 5'3" or so without heels, with very curly/wavy dark hair. She is probably mid-thirties, with a well-toned hourglass figure with very nice legs, a small waist, truly gorgeous arse and the tightest, most muscular and responsive pussy you could hope to find. She is a pretty white Brazilian lady, with a lovely wicked smile. She is always very clean, and smells nice. Very yummy, sexy lady indeed. She speaks very good English, so conversation is easy and flowing.

The Story:

Still catching up on reports!

I have seen Nikola several times, and she has always made me welcome and very relaxed by the end of the session. She is passionate and energetic in bed, loves RO and gives lovely OWO always with good eye contact. She is very lithe and strong, and genuinely likes to please her man. Her massages are good and firm, and she knows what she is doing, unlike so many escorts. She is apparently a whiz with Tantric, but I have not yet tried this with her, since I have too nice a time as it is with regular OWO, RO and sex in various positions.

I like her, and I enjoy my time with her very much. She is very professional in what she does, yet sensuous, and responds well if you treat her respectfully, like any good escort. Nikola is always worth a visit, and has never let me down yet.
