Clean, safe location in a good area

### The Lady:

Absolutely gorgeous

### The Story:

Although reasonably experienced in BDSM, this was my first visit to a Submissive service, but I found it outstanding!

Abbey listened carefully and her role-playing was superb.

The services offered were first-class, although as it was my first visit, I kept it quite mild.

Suffice to say, by the very impressive array of equipment and costumes, both the establishment and Abbey herself can offer any kind of service or role-play

Very much looking forward to the next visit...

Highly recommended!
