The Lady:

Mid to late 20s, quite pretty with a sexy smile, long blonde hair, couple of tattoos. Slim and looking instantly fuckable when arriving in her miniskirt.

The Story:

I saw Roxy at my hotel. She was quite delayed due to the traffic, but kept me informed throughout, which I appreciated. That isn't always the case with agencies.

She was exactly what I was looking for that night. Enthusiastic in everything she does, good fun to be around and a great shag. We spent ages kissing, cuddling, chatting and laughing before getting down to the main action. Excellent covered oral, followed by sex in various positions. Roxy has great muscle control and managed to keep me on the edge for longer than expected. Once we got round to doggy in front of the mirror I could hold back no more so pulled out and creamed her tits. Importantly for an agency escort, she isn't a clock-watcher and would have been happy to give me round two if I could have managed it.
