The Premises:

This is a well-known walk-up. This was the front flat, as the back flat is temporary unavailable due to a change in management. Just off the Charring-Cross Road, the room is sizable with a comfortable bed and soothing music playing in the background.

The Lady:

A black-haired, green-eyed, 25-year-old, Hungarian girl, who displayed a commendable amount of affection and proffered a very enjoyable service. Lovely silky skin with an ample and firm 32-D bust with sensitive nipples. She proved to be rather flexible as I contorted her in several imaginative positions. Was met wearing a bath-robe, with slightly damp skin, hinting of a girl who had just showered, which was very erotic.

The Story:

I'm impressed for a Soho Walk-up to find such a genuinely affectionate girl. I haven't visited this establishment since the legendary Paris returned and I was certainly not disappointed.

A confident girl, who is assured in her presence and performance, Olivia portrayed herself admirably with a clinical, but heartfelt demeanour. Sex was accompanied by much kissing on her part of my chest, shoulder and torso. She even encouraged suckling of her own breasts and her hygienic aroma made treating this girl a pleasure.

Considering the price paid, I have experienced a lot more stylised establishments, who have not fulfilled basic requirements and have not provided the standard of girls, I found within Olivia. She has only been in our country for 6 months or so. This inevitably meant that conversation was stilted at times, but what I extracted from her and the suitably-pitched erotic noises made for a genial visit on all counts.

A thoroughly recommended girl to visit.
