The Story:

WOW! This was a slow burn visit. After a nice back massage, with expert fondling of my balls from behind, we soon manouevered her on to her back so that I could lap at Bianca's large clit. Although Bianca was making the right kind of noises, after a while I was aware that while she seemed to be enjoying herself, the orgasm wasn't happening. So I asked her what it would take to make her cum. She said that sucking my cock would help so I was happy to oblige and we adopted the 69 position. Feeling bold I straddled her face and then the fireworks started! She gave me one last strong hint as to what would tip the balance (I will leave you to try and figure out the key to her pleasure with her)

Bianca definitely came then and came hard. What's more, after a moment or two she was ready to cum again and this time we came together. A true simultaneous orgasm with a working girl (as opposed to a faked one) is a rare thing I think and this one was fantastic. Probably the best sex I have ever had on a punt!
