The Story:

Had not seen her for a long time as she had left but when I heard she was back I had to go and see her and boy was she worth seeing. She was as gorgeous as ever although she moaned about weight gained I did not mind as it didn't really show. After a kiss and cuddle which was great I went for RO and she really showed how much she had missed me. She is an absolute star and well worth seeing. Treat her well and you will be amazed.
