The Premises:

A private house in a quiet housing estate. The house is below street level so is only overlooked by the immediate property. Plenty of parking space was available, although it may be different when everyone is at home in the evenings. The area felt safe and I had no qualms about leaving the car. The house was clean, neat, and tidy but sparsely furnished in the modern way. The bedroom and bathroom were spotlessly clean. An average sized bedroom with a kingsized bed and usual chests still left enough room to move.

The Lady:

Lexii is an attractive woman around 30 years old. Brown hair, 5'6" tall a better than average figure of good build (no fat) and a magnificently firm 36DD? chest complete with large nipples.

The Story:

I enjoyed my time with Lexxi. On arrival She was wearing jeans and top but changed into sexy underwear after the paperwork was sorted out. Lexii was very eager to provide the service that I wanted and I settled for a GFE with sex in a rush. Lexii turned out to be excellent at this and the experience was very enjoyable especially the oral.

The only downside was the 'rush' for me to leave and the price (there was nothing special for ?80.), however overall a good if somewhat expensive punt.
