The Story:

Jasmine was such a warm and friendly girl. She has a very pretty face and great tits, which I couldn't keep my eyes or hands off! I decided to try the 1 hour bubble bath offer, after a stressful christmas I needed something to unwind me. The bath room was already prepared, with very relaxing lighting, in a very modern and clean bathroom. We had a relaxing bath together, and she played with me whilst I sat back in all those warm bubbles (great way to de-stress). After a nice back rub, we went back to the bedroom for some action. I got her to lie on her back first of all so I could give her pussy a good licking. She tasted sweet and smelt great. After a bit of ow, we had sex in a few position, my favourite was her riding up and down on my stiff cock, watching those tits bounce up and down almost finished me off. I did get to bend her over, and came doggy style. Jasmine has a nice firm bum, very sexy. I Loved the hour I had with this very warm, sexy girl. I will definitely be back for another relaxing hour, it was worth every penny.
