The Story:

People speak of eternal Veritys, but this delightful intelligent, well spoken, and very sexy young lady is currently on the scene in Manchester and is well worth a visit.

I had asked Verity to wear the long PVC gloves she's pictured with on the ME website, and she was also wearing a purple basque, with stockings and heels.

On introduction, I learned that Verity is highly educated and went to a prestigious university. She liked the idea of fucking for fun (and money) in her spare time. I was beginning to think I was with Catherine Deneuve in Luis Bunuel's Belle De Jour. We made it to the bedroom where I introduced myself to her deliciously responsive pussy. Soon we were both in the mood for some serious fucking. And so we went on for the next 45 minutes or so, writhing in delight in the usual positions, missionary, doggy and with Verity's beautiful form on top.

Overall, time well spent with a wonderful and sensuous young woman who is new to escorting, but nevertheless makes an exciting companion.
