### The Premises:

Ego Massage is clean and very well appointed. Nice and warm on a cold winter's day. Plenty of free parking right outside the door. Safe.

### The Lady:

In a phrase, Natasha is sex on legs. Big (enhanced) boobs, very fit and trim everywhere else, shaven, tanned, gorgeous bum, she is a tiny and precious package. Paid the tenner extra for full naturist massage - who wouldn't?

A smile that's as seductive as sin, Natasha could show the pretty titty young things a few moves... hmmm that gives me an idea.

### The Story:

I'd had full service GFE+PSE with Natasha before. This was my first massage session in this MK landmark. I was NOT disappointed.

I got a great massage got in a fit of reverse massage and even sneaked a finger in. When it was time to turn over, she climbed up on the table and the teasing and stimulation just never stopped until I spattered all over her tum. A glorious mess that she rubbed in. A condom! A condom! My kingdom for a condom! Alas, that's not on offer at Ego Massage (Natasha said that was frustrating for her, too.)

A massage with Natasha is almost as good as full on sex. I can't wait until Natasha offers her usual escort services. Got a duo in mind ;)
