The Premises:

August's flat is situated in a block of offices/flats very close to Edgware Road tube station and I had no problem finding it. Her room is quite spacious and tidy with mood lighting. The bed is low but comfortable and there are full length mirrors situated to one side. Clean bathroom with bath/shower facilities.

The Lady:

August is extremely pretty - slim and petite, with a killer smile. Her boobs are enhanced. Looks exactly like the photos on the website so no unpleasant surprises!

The Story:

This was my first punt (in the UK) for 7 months so I wanted it to be special, something a little more PSE than my previous GFE sessions. After consulting both the punternet forum (thanks guys) and Aisha from the agency I decided to book a 2hr session with August.

Welcoming me with a kiss at the door, August led me to her bedroom where we quickly took care of the formalities before I was offered a drink and a shower. When I returned she took great care to ensure I was comfortable and relaxed, checking everything from the lighting, music and fan to her outfit was to my liking. I'd requested a 'sexy outfit with black nylon stockings' and August was attired in a short black dress with white jacket and black fishnets, so she immediately insisted on changing into sheer black stockings, and then when I later told her that I liked the short black skirt/top combo in her photos she told me to close my eyes and quickly changed outfits for me!

I think we were both a little shy to begin with so were just content to sit cuddling and chatting for the first half hour, but as August cracked a few jokes and we talked about what things I liked, we soon felt totally at ease with one another and the more we talked the more we clicked, which really added a GFE feel to our meeting.

With August now knowing exactly what I was up for, we began with her sat astride me, taking off her top to reveal her enhanced but lovely-sized boobs. After some light kissing August began OWO which was really soft and sensual, and then oiled up her breasts so that she could massage my

cock with them. She then lay on her back with her head propped up on the pillows so that I could tit-fuck her, all the while she pleased herself with a vibrator, and I soon finished with a spray of cum to her neck and chin.

After a quick clean up August changed outfits again, this time into a short white dress, but still keeping her black stockings on. We continued our while we rested - August was keen to show me some pictures of her flatmate on her iPhone - until I was ready to initiate Round 2.

With her dress off again, and her vibrator ready to assist, I was straight into some prolonged DATY action which she really seemed to get off on, until she told me that she wanted me to fuck her. On with the cover, we began sex in mish until she came, and then changed to doggy, and then she encouraged me to take full advantage of her fine ass, which of course I obliged. As others have noted, August is a superb provider of A-levels and it was a terrific sensation fucking her ass while she toyed with her vibrator in her pussy and stroked my balls. August said I could finish however I liked, so again she laid back and oiled up her breasts for a second tit-wank and facial which she eagerly accepted.

By this point my time was very nearly up but August didn't rush me straight out of the door - in fact she offered me another drink and we both took a shower and talked a little more until I was sent on my way with a smile on my face, well over my allotted time.

In summary, August provides a high level of service that is second to none. Aside from her outstanding beauty and uninhibited manner, I was won over by her personality which is honest, sweet and playful - a joy to spend time with. I'm sure that some people could find her rather laidback approach and desire to chat frustrating - you'll need to be quite assertive with her if you're just after some 'wham, bam, thank you mam' action - but if you're willing to take the time to make a connection with her and go with the flow then you're guaranteed a fantastic experience.
