The Story:

I do love going to this place, they just seem to get such wonderful, real genuine Indian girls, which is very hard to find in my budget anywhere else. The person taking the bookings was very helpful and friendly as always. She answered any questions I had, and she managed to accommodate me at short notice. I have been to this establishment on several occasions and I do appreciate the level of professionalism this place has. I did notice that this time round I was welcomed at the door by the girl (its used to be a guy/male maid). I didn't have much time on the day, so I had to opt for 30 minutes instead of a much needed hour. Sitara is an absolute stunner, she is slim with beautiful black hair. Great toned body. Very pretty face with a cute small nose. She has lovely slim, elegant hands which had nice nail polish on. She welcomed me wearing a stunning white indian outfit with high heels, which was just a delight. Sitara was very enthusiastic throughout and she had a great smile on her face, which brightened up my day. I wanted to give her a massage first, which she seemed to enjoy. She turned over and pulled down her knickers, her clit was so lick-able and smelt sexy. After making her cum with ro, I turned her back over, her arse was nice a shapely and it didn't take long for me to cum. I did have a quick shower before leaving, their shower facilities are always very clean and as I had to rush back to work, it was so convenient that I was able to freshen up properly.
