The Premises:

Scorpio - well known, and well described. The shower was in first class working order.

The Lady:

Tall (by my standards), even without the heels, blonde, medium length, very pretty Scots lady, mid to late 20's, I'd say, and a stunning figure. Not skinny, curves in all the right places, and none in the wrong ones.

The Story:

There were four ladies in the parlour when I emerged from the shower - I had no trouble making my choice - Tiara was the best and most alluringly dressed and didn't have the teenage gawkiness of the other three. In the room she was enthusiastic, and very willing, and proved a delightful dirty talker. CIM & toys were extra, but since I didn't want either, I have nothing to say to them. Tiara is an enthusiastic kisser, and worked hard (and very successfully) to give me pleasure. She works Wednesdays and Sundays at Scorpio. I will be careful to make my next visit to Edinburgh on a Wednesday, and ensure that I have more time to enjoy Tiara.
