### The Story:

Nicole was recommended to me by Elite's owner Amy. She is only 21, but has two of my hallmarks of a stone cold sexual fox - a tongue piercing and tattoo on her lower back. I've never had a bad time with a WG with this look. One of her nipples (her large brown aerolae are wondrous to behold) is pierced, as she is down below. Facially she put me in mind of a 21 year old Shannen Doherty.

After a pleasant chat we moved to the bedroom. She was wearing beautiful silky red underwear ? I'm not an underwear fan, but these were really something. We started with gentle oral then moved to a particularly horny and really rather steamy session, I asked Nicole how she likes to be fucked and she told me she liked it hard, which kind of set the tone. We started with Nicole on top, then missionary, then to doggy, finishing with some delightful hand relief.

Afterwards we spoke about clothes I like girls to wear and she?s promised she?ll be wearing them when we meet next. I really can?t wait. Recommended? You bet.
