The Premises:

She has a room in a private hotel where her activities are approved by the management. Felt safe and secure throughout. Room a little small and unkempt, and the TV was left on throughout my stay.

The Lady:

Jenna is petite with died blonde hair and lots of star tatoos. She is a little plump for my preferred tastes but is sexy to look at in a slightly downmarket way. Her breasts are medium sized but pleasing to look at and feel and her skin is very smooth and soft.

The Story:

Jenna was down to it immediately with no inhibitions, wanking me and sucking me very well, she likes to ring the changes and moved her position often but always keeping the action up. After a while it was condom time and she rode for a bit and then I got on top and she liked deep hard penetration. We finished round one with her wanking herself to a hard and intense orgasm with me decorating her breasts. Round two was more wanking and sucking and with her talking deliciously dirty to bring me off for the second time. She is a great performer. Vey good value for money.
