### The Premises:

Flat in a rather distinguished street, near the theatres.

Up a dingy staircase, to be shown into a large, clean and pleasant room. A TV playing porn had vertical hold problems. Otherwise quite nice.

### The Lady:

A very curvy lady with voluptuous breasts. Not everyone's type maybe, but I thought she looked sumptuous.

### The Story:

Immediately I saw her I thought of my favourite lines from T.S.Eliot: "Uncorseted, her friendly bust/ Gives promise of pneumatic bliss." Sara not only promises - she delivers. And friendly is definitely the word.

She gives a good hard massage, and then lovely responsive caresses. Her body was made for cuddles, and being with her is an exhilarating experience.

Watch out, though. When she finds out where you're ticklish, she can display a ruthless streak.

I've been to this place once before, to see the equally delightful (but very different) Erika. On both occasions the appointment over-ran the set time.

This is a place to be recommended - but I wish they'd fix the telly.
