### The Premises:

Nice single entrance flat between Edgware and Marble Arch, washroom was very clean, notwithstanding apparently there are several girls working in there (all Polish!). Safe and discreet.

### The Lady:

Way better than pictures. Details correct, but someone played too much and changed her friendly, eager and winsome smile and eyes to whatever the pics reflect. 5`6, slim and curvy, even close to hourglass shaped, good hips to hold onto, smooth silky skin no tats or piercings I could find (and I looked high and low)

### The Story:

Ahhh, Kimberly is why I punt. While initially reluctant for A, she decided to give it a try and things went smoothly. Medium FK, very good OWO and to CIM.

Simply beautiful, engaging, friendly and sexy! I must consider visiting Poland.....
