The Premises:

Nice apartment off road near to the View cinema complex just off Kirkstall road nr to the Mc Donalds in leeds

The rooms was above standard and had fitted on suite showers in them large modern double beds with clean linen on and cushions.

The place was very clean and parking outside the apartment entrance was discreet with no obvious signs of what was inside

I felt safe as the car park and area was mainly shops and the entrance to the apartment was at the rear of the shops and above not overlooked in any way.

The Lady:

TylEr

was very very Gorgeous with brown eyes and auburn hair flowing down to the middle of her fantastic figure, dressed in a marilyn monroe flowered outfit like a stunning model just stepped of the cat walk at a top fashion show

The capital E in her name for the Excitement when you cast your eyes on this beauty's body and the bust is Magnificent and nothing false about these twin peaks and they did peak

she is small in stature at about 5/6 but the legs are long and shapely and was even more sexy by the high heels she was wearing

she was FIT from top to toe

Though not tan she had the most heavenly sheen on her olive skin

The Story:

I surrender to this Goddess of a girl and I mean girl no more than 23 I would guess her at

We started with a good body to body massage from the moment she lay on me I was getting erect and ready for what I knew was going to be pure passion and boy I was not wrong we changed in to some 69 fun covered and then into missionary and that was as long as I could hold back had to load up and release into space
