The Premises:

Rachel's apartment is tastefully furnished, immaculately clean and totally safe. Seaviews too (not that I had much time for that!).
Lift available. Nobody about.

Parking: I parked in a side street but there is a secure car park attached to this block of flats.

The Lady:

Rachel is a mature, slim, blonde Welsh lady with a lovely smooth skin and clear complexion.

5'6", size 10, 36D and short blonde hair, nice legs and a good figure. Pussy freshly shaved and smooth.

Bi-sexual, too.

Educated and well-spoken, she has a most friendly and pleasant manner.

The Story:

I took to her straightaway. Nicely made-up she was wearing a figure hugging dress with short black skirt, black hold ups and heels.

I handed her the 'envelope' with a little extra because she does not ask for 'gifts' but small donations to her favourite charities are appreciated. I liked that.

She offered me a coffee and we sat chatting for a while in her lounge before we went through to the bedroom. I had asked her to insert a string of 'love balls' in her cunt before I arrived and I was aroused by seeing their 'handle' hanging below her hemline as she made coffee.

The bedroom has an ensuite shower, cheval mirror (and she likes watching the 'action' as well!). Rachel went into the ensuite while I undressed and she re-appeared wearing a red basque. Lacy clothing like this Rachel finds arouses her more and, although the basque top was soon pulled down so that I could pay attention to her nipples and tits, it stayed on (with the stockings) for most of

the session. Removal of the basque near the end of our session revealed a neat 'patriotic' tattoo.

What took place between us was totally uninhibited sex. Anal, fisting and squirting - she enjoys all of them and much more. By the time we finished the bed was quite wet with her juices.

Rachel is an 'upmarket' lady suitable for discerning gentlemen who will treat her well. Doctors, solicitors and other professionals are amongst her clients. I shall most definitely return.

Rachel does have a webpage ("scentofawoman") but I'm afraid it is accessed through 'Another' site.

Thank you, Rachel, see you again (and sorry about the shower door!).
