### Details of Service Provider:

### The Premises:

The bedroom is very comfortable and clean.

### The Lady:

Maya is a slim Romanian girls with long black hair and nice, full B/C cup boobs. She would certainly not be out of place in a more palacial setting. Unfortunately her English isn't that good.

### The Story:

The big problem for me was I underestimated how tired I was and this spoiled the session. I needed some stimulation to get me up, but Maya's technique was too firm both with covered O and especially by hand. I was barely erect when she climbed on top and she was very tight so it was almost painful. I lost the erection so I spent a bit more time sucking her nipples and she stroked my balls. I then took her from behind and again she was so tight. I pumped away furiously, but couldn't come. I ended up finishing myself off because Maya's grip was too tight.
