The Premises:

My first time there and it's a lovely little place. Very clean, very discreet and modern. The room was minimalist in decor, which is my style.

The Lady:

The pictures on the the website were taken quite a while ago, but she hasn't changed much. Slightly plumpier than the pics but more cushin for da pushin! Long black hair, dark caramel complexion, which I like, face was alright but with the biggest tits I have EVER seen, that's not where I was looking most of the time!

The Story:

After da paperwork, started with a powder massage, which felt more like a sport massage, but I don't like massages anyway, so moved onto a straight 69, which she seemed to like as I gave her head. Next, started with reverse cowgirl (facing away from me), then doggy, mish and finishing with her on top facing me. Really nice and friendly person, felt great too, made all da right noises and, by Jove, those breast are ENORMOUS!!
