The Premises:

Discrete but convenient near town centre. Safe and in a nice area.

The Lady:

Black lady with curvy figure and pretty face lit up by ready smile and a friendly and sexy manner.

The Story:

I always get looked after well at Sirens which makes the whole experience very pleasurable.

I do tend to stick to the same girl or two as over the last couple of years there have been two super ladies.

One has now left but in Nina I am happy to say there are now two lovely women, my star Ashanti as well as Nina.

Nina was smiley from her first entrance and greeted me with a kiss and a cuddle.

We were able to chat easily about anything from the off and nothing I suggested or just did was turned down.

Also it was great Nina did stuff on her own initiative.

After another cuddle on the bed we followed a routine of me doing oral and Nina following suit before moving on top of me.

We then moved onto other positions by mutual consent and finished with a hand job.

All the time, it felt Nina was in tune with pleasing me and I loved little touches like close hugs during passionate moments.

A really lovely, intelligent and sexy lady, I am certain to see Nina again so I hope she stays at

Sirens for a good while.
