The Premises:

Nice functional modern establishment if a little on the small side but added bonus of free car park adjacent and easy to find.

was let in by receptionist and offered a cold drink whilst waiting for penny
safe discreet and private although slightly offputting to hear another punters voice and footsteps.

The Lady:

Penny is a tall slim pretty brunette with very small boobs, which was a shame as i love the bigger boobs-pretty eyes and a nice smile

The Story:

Intended to visit ego for a while and decided on penny due to her good reports although there was no picture of her at the time on the site.

went for the 30 min naturist body to body massage and happy ending.

apparently penny is a trained massage therapist-unfortunately the massage was very hard and firm for me to the point of being uncomfortable and causing me some pain and although did request her to ease off the pressure a little it was still uncomfortable-one of the worst massages ive ever had. when asked to turn over penny climbed onto the massage couch and delivered an unrushed and reasonable hand job to finish-it was nice to be able to touch a little with permission however very little eye contact was made during this period which i do like.

although a pleasant enough young lady- owing to the dreadful massage i encountered i can not recommend which is a shame as its a nice establishment
