The Premises:

One of the better maintained walk ups in Soho, actually closer to Oxford St. During the day so safe enough, it's Soho so not the nicest part of the world. The biggest point of the facilities was the lack of washing. In Germany walk ups start and finish with a good wash and plenty of soap. Here we only had wet wipes and hand gel

The Lady:

Almost 30, Reporting to be Swedish, suspect may be Russian. Lovely soft and perfectly formed tits, quite small but the way I like them. Super arse and nice tight pussy. Slim with nice curves and sexy smile

The Story:

Big priced Menu on the wall, opted for ?20 straight sex (same price for blow or hand job) Politely asked for a tip for the maid. I stripped as she took the money. Returning to the bed she started with gentle stroking which didn't do a lot for me, so a asked for a quick suck on her tits and rock hard, a quick covered BJ followed. On with Condom and invited to go doggy looking at her in the mirror for, then over for a Mish finish. I did let on that I like my nipples pinched as it helps me come, straight away she was pinching in a very nice way. Very pleasant didn't feel rushed for a quicky. But got the feeling that it was a well practised script designed for a quick turn over
