The Premises:

Modern flat in large yuppie block near Royal Victoria DLR.

The Lady:

As per photos on her web page, but more petite. An extremely pretty slim 18/19 y.o. hungarian girl, about 5'5", marred only by the incongruous but telltale signs of recent childbirth (slightly soft breasts and tummy). A minor criticism though, of an otherwise stunning girl.

The Story:

An exceptionally good looking girl, better even than such luminaries as Mishel and Paula (see recent FRs). Her English is virtually non-existent but Penelope was friendly in a quiet sort of way. Service included FK and covered oral. Not overly responsive in bed, but personally I prefer that to obvious fakery. At least that way, if there is a response it is genuine. She said (or at least I understood her to be saying) that she would be going back to Hungary for a couple of weeks in late January, but would be back here in early February. I hope so!
