The Story:

Had been looking forward to meeting Jayne for quite a while and very happy today when I finally had the opportunity.

Before getting down to business I asked if she would put on some stockings, she obliged putting on a great show in the process and got me hard before so much as touching me. Noticing this she smiled and stuck out her gorgeous bum and rubbed it up and down against my now very hard cock. After giving her lovely arse a final wiggle, she turned around still smiling and we started kissing (not DFK but highly pleasurable nonetheless) her bra was soon off allowing me to explore her breasts further, which I can safely report are also quite spectacular. Moving on to OWO while I remained standing, Jayne sat on the bed and made expert use of her tongue - took her time with some wonderful slow sucking and licking.

My turn to perform some enjoyable RO, more kissing and then a few variations on mish before an intensely enjoyable finish. After cleaning up we lay down on the bed together for a GFE "afterglow" kiss and cuddle which had the effect of getting me hard again very quickly. Despite my booking only a short session, on noticing my arousal Jayne asked if I wanted to go again, suggesting doggie-style this time. Could hardly believe my luck, could almost have cried with joy!

A lovely, sweet, generous and incredibly sexy woman - look forward to seeing her again soon...
