### The Premises:

A private house on a respectable estate not far from MK Centre. Easy parking. Felt quite safe.

### The Lady:

Maya is an attractive brunette, mid 20s. Pretty face, medium height and a tanned body. She is an independent WG so is available most days/early evenings.

### The Story:

Maya knows how to do the GFE. Gentle caresses and a searching tongue caused immediate arousal, followed by superb OWO. Then on with the protection and Maya sat astride me and rode me gently cowgirl style. Various other positions including doggie ? Maya?s favourite position. Usually I find doggie rather boring, especially with an attractive girl because you have a back view of everything. However Maya curved her body in such a way that it made my erection even harder. Finally Mish for the climax. Although by this final stage Maya?s pussy was very wet (from enjoyment) her excellent muscle control more than compensated and with her legs wrapped round me I soon shot my lot inside her. Definitely worth another visit - or more.
