The Premises:

Ground floor apartment near the shopping centre at MK. Clean, modern and spacious, this is the HQ of Annabella's, where I was given a warm welcome and a hot coffee.

The Lady:

This girl, as her website pictures would suggest, is an absolute stunner - tall, beautiful and black with long black hair and fantastic tits and bum. She wore a black leather zip-up dress, which was soon unzipped, and no, your bum doesn't look big in this.

The Story:

After a quick shower and sorting the paperwork, we started with some DFK while discussing the agenda, which was to be oral both ways.

Once I'd removed her sexy underwear, and established that her vaginal juices were flowing, I lay on the bed while she lowered her pussy for me to lick - she is fully shaven and sweet tasting, and it didn't take too many minutes for her to cum noisily.

She returned the favour with an expertly delivered blowjob (without) using her tongue and full lips to bring me to the point of no return in exquisite fashion.

We had a cuddle and chat while I finished the coffee, and it turns out that not only does she have the looks, but is also highly educated and intelligent, currently studying a course in a complex and highly specialised subject.

After chatting about work, life, and 1970s comedy shows on UK Gold, she tried to arouse my interest in a second coming, but the inexorable march of anno domini prevented lift-off on this occasion.

Well worth a visit, she only works on Tuesdays and Thursdays.
