The Premises:

A serviced apartment in the City Centre which was discreet and comfortable. The room had a nice bed and was warm.

The Lady:

Sasha - stunning mid twenties brunette around 5'6 ish with big enhanced 32FF boobs.

Ellie - mid twenties ebony amazonian goddess; taller than Sasha (although this could just have been her monster heels) with enormous GG enhanced boobs.

The Story:

This was my first ever 2 girl experience and what I time I had. Both girls are absolutely stunning and very, very good at what they do. We didn't get to cover all the services that were available but we did more than enough to leave me barely able to walk back to my car to get home!

They tour the UK together and will be returning to Bristol every other month or so (details available on another site ^^) and I fully intend to see them again when they return. Possibly not for a 2 girl as I was a bit like a very confused kid in a sweetshop as to what to do with myself (and them) next!

Highly recommended.
