The Premises:

Mandy lives in her place a small maisonette which is half tip and half very nice she is doing it up, good area great parking no problems there no man around either

The Lady:

Very late fifties thin. About 5th 7pm short brown hair, short mini skirt low cut top small tits stockings, not a looker but nice personality

The Story:

had a bloody good hiding verbal abuse, Mandy likes this although she does have an extensive menu this is my fourth visit, great if want something different she will certainly oblige however if you want a dolly bird it's not for you, she told me she don't do many about three punters a week, but she needs the money now to finish the flat. for forty quid it's bloody good value
