The Premises:

It was a private flat just off kirkstall road close to the Birley arms public house with ample parking outside and safe as well

The apartment is on the first floor up some iron steps at the rear of the shops and a restraint and other shops

the apartment offers 1st class and well decorated rooms with showers on suite and fresh towels

the receptionist is pleasant and beverages was available the lady working today was faye and only 1 girl a day and the receptionist is available.

The Lady:

Faye is a MILF and though mature looks well for a 48/49 year old lady

i do not usually go for the mature type but she looked well for a mature lady and if she was my mates mother i would be easy with her body and looks to seduce me definitely a mrs robinson Standing at 5/6 in heels and a 34dd breast size and a nice size10 at a guess and im usually in the ball park with sizes

dressed in a pink tunic and a medium length black skirt and seamed stockings and black underwear with a very stylish classy look

The Story:

Faye was a good choice though i had my reservations at first due to i usually go for the slim very young 20ish type

I followed my instincts and what a wonderful time i had today i had no need to worry at all she was excellent at what she does

starting with a nice body to body action and some very sensual kissing and then on to RO in 69 and finishing off in doggy

the session was not rushed and did go a little over 30 mins but there was definitely no clock watching

i shall return to see this beautiful lady who treated me well and delivered beyond all my expectations

This is a very smart sophisticated lady who knows how to treat a man another one not to be missed. Lv Faye The chef xx thx

p.s she told me she only works saturdays at the moment
