The Premises:

A very comfortable basement flat one half block from the Earls Court Tube Station. They have done some recent fixing up and it is an attractive place to visit.

The Lady:

Tina is tall and very beautiful. She has red hair and great legs and a wonderful bottom.

The Story:

I asked for domination including humiliation. She was very much into providing my needs. Tina took me to places I had never experienced. After tying me to her X cross she went through a very intimate tie and tease. She then led me into the living room to confront the Maid and forced me to worship her strap on dildo and perform for her and the maid. After that back to the bedroom that serves as the dungeon for some very personal service to her that's between her and me, after which I was ordered to cum for her.

I have visited the London Retreat a number of times and seen Victoria, Jenny and Sam. This was the first time with Tina. They all are very lovely and very talented, certainly in domination which is what I enjoy. I can't think of a better way to spend an evening. Thanks to you ladies and also to the special women who are the maids. I won't mention their names but J and M and M are great! I look forward to my next visit.
