Petite sized brunette from Lithuania, probably size 8 with small perky breasts.

### The Story:

Having met Sabrina at other locations previously, it was good to catch up with her again in new location for me. As she recognised me, it was very easy for us to make conversation (her is english is very good) and catch-up on what we had been doing recently. Sabrina knew however i was not there just for a chat, so proceeded in no uncertain terms to suggest that we "get fucking".... and who was i to say no.

After a long DFK session we slumped onto the bed, wherein she proceeded to give me one of the best BJ have had in a while, maintaining eye contact all the time, with her tongue alternating between my dick and my balls in a sensuous teasing way. This was then followed by about 15 mins in the 69 position in which she continued the same as previous, and i managed to lick and gently figure her lovely moist pussy.

Knowing that i would not be able to hold out for too much longer if we stayed as we were, we changed positions and i climbed on top. Whilst we continued to DFK, we fucked non-stop for about next 15 mins, until it seemed like we both climaxed at the same time (well i did anyway ! :-). Sabrina seemed very pleased she had finally managed to achieve her aim, and i lay there shattered and a broken man on the bed.

A drink was offered and gratefully taken, a quick chat and we said our fond farewells (albeit only temporarily as will be back again very soon)
