The Premises:

Well known walkdown. Decent sized room and bed. No washing facilities in room.

The Lady:

Door opened by an exotic looking lass who I assumed was Oriana (previous Frs had described her as a very attractive Persian woman.) The girl who entered the room was rather plain looking with saggy tits, wearing what appeared to be a fishing net.

The Story:

She removed her clothes very quickly to reveal her flabby body, rough-handled my cock and informed me we didn't have long left. Next came a pathetic BJ and then she positioned herself for sex in a way which made penetration very difficult.

Rarely has shagging been so boring.
