The Lady:

Slim Thai and Japanese lady and nice breasts and nice bum, her eyes make me feeble. skin very soft.

The Story:

Her pics in the website dont look nice but when I met her, she looks pretty and naughty and also friendly. She can give her experiences to me the same as my girlfriend. She gave me a high class step that I had never seen before and when she kissed me, I felt it had a fire inside me. Last, I impressed her services to me and she not rushed just took time private to each other
