The Premises:

Her place was a clean apartment in a modern gated block just 5mins walk from the train station.

The Lady:

Chloe is a knock out: a tall blonde with with curves in all the right places, She really is in fantastic shape. The pictures on her site do not do her justice.

The Story:

Chloe was the first escort I have visited, so my frame of reference is only real Girlfriends. So that said, Chloe is the perfect girlfriend, she put me to ease with her chat without even realising it. She was genuine, sweet, and of course very sexy. I wont go in to the details, as I am sure she will cater for any of your needs. But I will say put your trust her to lead, and try new things & you WILL be rewarded.

It all felt like I was spending the morning after the night before with a real girlfriend. So much so I stayed 45mins over time, and loved every second of it.
