### The Premises:

Absolutely spotless up-market flat in the city centre

### The Lady:

Slim, attractive girl with a wonderful body.

### The Story:

This girl can kiss, boy can she kiss ! Within seconds of entering the flat her tongue was half way down my throat. 5 minutes later we were undressed and her tongue was still down my throat. There followed prolonged oral (both ways) including 69 before she climbed on top for sex in cowgirl then spoons then her on her tummy and me on top (whats that called ?). Finished with CIM while in the 69 position. Wonderful

Chatted for the remaining time and left with a big smile on my face
