The Premises:

The location was in a very discreet area which is in affluent part of Northampton. I felt safe and secure leaving my car anywhere in the vicinity. Her apartment was very clean, classy and well looking after. I immediately felt cosy and at home.

The Lady:

Suzannah is a sexy curvaceous mature lady, the pictures on her website are accurate, her lovely boobs is a sight for sore eyes, well formed and responsive to touch. A hugging voluptuous figure to which she takes great pride in and her appearance.

The Story:

Suzannah gave me excellent directions to her lovely ground floor apartment, on first impressions she was very warm, welcoming and will put any nervous punter at ease. She offered me a drink and we sat down for a cosy chat and to offer her fee, I had initially emailed her several times to ask if she could act out a role-play for me, so we discussed this further so Suzannah would be clear on what I wanted. She executed the role-play with great precision using her intuitiveness to gauge how the role-play should flow.

She has great oral skills and is attentive to your needs, we had full sex with a condom "cowgirl position which is my favourite" and plenty of kissing and cuddling which culminated in A very sensual and intimate meeting.

A very enjoyable, intimate and pleasant afternoon with a REAL women.

I would be returning for another for-filling meeting.
