The Premises:

The usual flat in Central MK with lots of free parking well decorated, clean, and very discreet.

The Lady:

tall leggy blond and thats as good as it gets, maxine looked nothing like her web site pics, i think these must be years old definately not the size 10 as stated more of a size 12, slightly flabby stomach and breasts that have seen better days unlike her photos that make her look to have a super model/pornstar figure. very disappointing as usually the ladys here are stunning and look like there photos on the web site.

The Story:

well what can i say the worst punt i've had at annabella's think i'll stick to the girls i know as maxine's performance made it seem she does'nt enjoy her job at all, as soon as the paper work was sorted this girl seemed none interested and in a rush, good owo but sex was not so good she when on top for less than a minute got off and rolled over on to her back expecting mish i thought ok so i went with the flow only to have her put her hands on my stomach restricting any sort of decent penetration while making fake noises very off putting so at this point i started to feel ripped off with the service she provided compared to other ladys at this establishment who give it there all and make you feel good. all in all gents annabella's is brilliant and i highly recommend it but unfortunately i cant recommend maxine.
