The Premises:

Short lease flat in the city centre with secure entry.

The Lady:

5'6"(ish) Czech girl in her mid-20s with strawberry blonde shoulder length hair, a lovely figure and looks very reminiscent of Diane Kruger from the "National Treasure" movies.

The Story:

A dark haired girl answered the door and led me in to Danielle's bedroom where she was just coming out the en-suite with a towel round her body.

Once the financial element was out the way, and I'd had a quick shower, it was off with her towel and the start of a massage and a chat. This was a good ice-breaker and shortly afterwards she moved the massage on to the wee man. This was the bit he was waiting for and it didn't take long for him to rise to the occasion. Unfortunately no OWO was on offer so it was on with a jacket and in to action. The following was a variety of positions which culminated in what would have been a mouthful of protein had the jacket not been buttoned. Very satisfying.

Danielle is only here for a week or two, although she said she may be back, so I advise you to see her before she leaves.
