### The Premises:

Reasonable apartment on the junction of Earls Court Road and Cromwell Road

### The Lady:

As per photos but 10 years older - leathery

### The Story:

The punt that has sent me into retirement again.

Given that she allows anal (?50 extra - included in price above) and was happy to take it over her face, i have never met a WG who is so obviously obsessive compulsive - don't do that, don't touch this etc - WEIRD.

Service was distinctly below average and I wish that i hadn't bothered.
