The Premises:

Flat at the end of a cul-de-sac in not the best part of town.Ok in the day! Nice enough flat and the bedroom was all clean and tidy. Felt perfectly safe in the area but was in the day!

The Lady:

I think prob in forties, but she has great body. Nice small breasts, Great Girl. Great personality!!

The Story:

She says she offers the best blowjob ever and WOW!. It was the best I can remember in a very long time, you really have to experience it.

The massage and sex were really good too, I was a bit soft to start with and she worked hard to get me up, once I was I just couldn't get enough of this really sexy women.

She tells me that she will tailor a service to fit my wallett and so even if I need quick relief, she's the girl.
