The Premises:

Clean and tidy. Recently refurbished after the floods. Both the receptionist and girls seemed disinterested, but having seen reports for Caz on TDW was determined to see her and wasn't disappointed. Arrived in the happy hour ?30 for 30 min so nothing to loose!

The room was very nicely decorated, except the had written note to the girls on the shower about cleaning up after clients which spoilt the atmosphere

The Lady:

Caz is in her late 30's with long dark hair and just 4 ft 9, a little short for me, I am 6 ft 5, but we are all the same height lying down.

She is a gorgeous curvy size 10 with a 36D bust and what a bust.

The Story:

Started with a nice massage. Once I turned over straight into a great kiss and cuddle, then on with the mac and a nice bj, but had to stop her. More cuddles whilst we both played with each other and our selves until I think she made herself cum. I couldn't wait any longer. Great sex missionary and more kissing and cuddles after.

My best experience with a working girl in many punts.

Will definitely be back to see Caz, just hope the other girls are up to her standard
