The Premises:

Easy to find, typical house for the area. Nicole gives good directions and there is plenty of on street parking a couple of streets away. The area feels quite safe.

The Lady:

Nicole has been described in these pages a few times with good accuracy. She is quite tall, slim with gorgeous long legs and a wonderful pair of boobs. She has a very friendly personality.

The Story:

Once we had got the paperwork out of the way we started kissing while Nicole undressed me. Then she was straight down on her knees doing what seemed to come very naturally to her. We somehow made it to the bed for more of her wonderful oral skills.

After a while I felt the need to return the favour and thus we spent the hour giving each other alternate bouts of oral. She certainly came with vigour at least once and I finished with a lovely facial.

There was no rush from her to get me out and we spent few minutes after the main event lying together chatting very easily.

All in all a great punt and I hope to be back soon.
