The Premises:

As previously reported - certainly safe during the day. Secure entry to the flats. The flat inside is very nicely furnished, dark, warm and welcoming.

The Lady:

Vicky: 5' 5', well proportioned, lovely face and smile, just superb large natural breasts.

Zora: about the same height, a little slimmer, also lovely firm natural breasts, blonde hair (dyed).

The Story:

Having seen both girls individually I was intrigued by the prospect of seeing them for some 3-some fun. Both girls are fantastic, passionate kissers, and both give great OWO. They indulged in some medium girl on girl action, but no licking of each others pussys.

What was a real turn on was that while I was fucking Vicky, Zora was DFK-ing her, squeezing her breasts and rubbing her clit, and the same was true when I was fucking Zora. Zora also stood next to me on the bed, legs apart, while I was fucking Vicky so I could tongue her pussy (bit of a strain on th neck though :-). I finished in true porn style; Vicky and Zora DFK-ing on the bed, and I cam over their faces.

A really great VFM meeting with two lovely girls.

Highly recommended
