The Premises:

Have been here before and its always clean and welcoming.

The Lady:

Jessica - mid to late 30s, tall, brunette, big frame but by no means overweight, attractive

Melissa - early to mid 20s, dark red hair, slim, attractive

The Story:

Had saved up for a two girl. Checked rota, and rang ahead to make some special requests which Brooklyns and these two girls were able to accommodate.

Both girls were ready when I arrived and I was shown straight in and they entered within five minutes, already prepared for the fantasy roleplay I'd requested.

I'd seen Jessica before some years ago and knew she was good, and she didn't disappoint. She worked well with Melissa who I'd not seen before, and both were enthusiastic and very accommodating.

This was well worth the money and I've already started saving for a repeat.

My ONLY gripe was that it was over within 20 minutes and I'd have liked to get the full 30 minutes worth, but can't complain about the quality of the time I did get.
