The Premises:

Very discrete apartment block in Woking. Had to park at the community health centre which was about 3-4 mins walk away. A lady gave directions on the phone which were easy to follow. Didn't see anybody other than her on the way in. Was offered a drink when I got in.

The Lady:

There are already pictures of her published with no facial blurring. Size 10, girl next door, C cup. Absolutely gorgeous in my opinion, my perfect type.

The Story:

I was very nervous as this was my first punt, was actually shaking a bit because it was so cold outside on the walk over. Anyway she set me at ease immediately. Chantelle is a stunner, much better in person. Lots of passionate DFK and foreplay. She let me play with her pussy and insert a finger which I hope she enjoyed. She gave me the best OWO I have ever experienced, told her to stop soon after as I was going to come! Proceeded to more foreplay on the bed then sex with a few positions. She was absolutely amazing and exceeded all my wildest expectations. If I had to point out any flaws it would be that her groaning and moaning during sex was blatantly fake, slightly off-putting and bordering on disingenuous but top marks for her dedication! She should have at least used it selectively to highlight what she enjoyed most!
