The Premises:

A flat just off Oxford St with a fairly discrete entrance. The flat itself was roomy but sparsely furnished. Nice bathroom and very comfy bed

The Lady:

Her photos are accurate but don't do her justice as they make her look too stern and she is anything but stern.

The Story:

This girl is dynamite! She greeted me in a slinky tube dress that kept slipping off her ample bust so we quickly dispensed with it and jumped into the bath. This was the best shared bath I've had in ages, kisses and tit play had me poking out the water in no time. Back to the room for more kissing and hand play before I slid down the bed and licked her sweet pussy till she gave me the best reward you could ask for.

Onto the sex and I slipped into a very tight pussy that nearly finished me off but when she offered her ass without prompting I knew I was going to heaven and soon I was.

Post sex we kissed and chatted before she offered a firm massage. Once I was dressed she was still playful and I nearly didn't make it out.
