The Premises:

A block of flats along Westmoreland Road, in a nice area of Bromley. Had a bit of trouble finding it at first coz da "maid" sent me around da back of da RBS building to begin with!! Was nice and secure, got buzzed in, was a nice little flat. U wouldn't think dat punting would take place in this quiet neighbourhood

The Lady:

I was actually hoping to catch Nuri from the website, but they didn't know who I was talking about; i'm guessing she changed names or whatever, I don't know how or why these ladies do to be honest. Anyhow, I got Martha: says she's 28, but looked about 36, but not bad-looking by any means. Says she's Filipino, but I heard Thai being spoken at the place. Petite, average build, nice firm tits, possibly B/C cup, long black hair. Has a navel piercing and a butterfly tattoo on her right shoulder-blade.

The Story:

She said it was her 1st day so i was reluctant at first but ended up opting for 30min service as i was her first customer, which included OWO, which was nice. Started with back oil massage for a few minutes. With dat over, she made a point that she was cool with FK, 69, basically everything short of anal!! I start to like this girl more!! I comply with a good bit of 69 then onto the good stuff. Reverse cowgirl, doggy, mish n finish on standard cowgirl. All throughout, she was eager to please n DID NOT STOP!! Not once did she touch the lube either. This girl is a champ!!
