The Premises:

Outcall at a hotel in Central London. Electra had problems finding the place, not her fault, but kept me informed of her progress by phone and text.

The Lady:

In a word stunning. Short, slim with fantastic bum and breasts. Dark hair and beautiful eyes.

The Story:

Electra is open and honest with a sparkling, witty personality.

Once in the bedroom she provided a superb service that left me physically drained but with a huge smile.

She is a real gem of a girl who I can not recommend highly enough.
